EDUCATION

FAST National University of Computer & Emerging Sciences (NUCES) — Karachi, Pakistan (2025 – 2029)

Bachelors of Science in Computer Science (BSCS); CGPA: 3.34

Adamjee Govt. Science College — Karachi, Pakistan (July 2023 – May 2025)

Pre Engineering (FSc); Grade: A+

SKILLS SUMMARY

Languages: Python, JavaScript, TypeScript, React Native, C++

Frameworks & Web: Next.js, React, Tailwind CSS, Node.js, Express.js, FastAPI

Databases & Backend: Supabase, PostgreSQL, Firebase, MongoDB

AI / LLM Integration: Gemini API, Claude API, Groq API, LangGraph, FinBERT, Multi-agent Systems

Tools & Concepts: Git/GitHub, Sanity CMS, Figma, Stripe Connect, REST APIs, WebSockets, OOP, Hash-chain structures, Solana (devnet)

PROJECTS

Campus Rides Carpooling App | Founder & Lead Developer

- Built Pakistan's first student-only carpooling platform for FAST-NUCES, NED University, and UoK with secure ride posting and instant seat booking.
- Scaled to 500+ verified student users with real-time ride updates; featured in Startup Pakistan.

FAST University Timetable App | Lead Developer

- Built Next.js web app with real-time data fetching from Google Sheets, achieving 100K+ page views in 2 months for FAST student community.

Vetto — AI Interview Coach | Iterate '26 Hackathon

- Architected and built real-time voice and behavioral interview coach agent using multi-agent LLM pipelines.

VaultTrust | Multi-Round Finalist UBL Fintech Hackathon

- Developed consent-based income verification for freelancers with hash-chain ledger and Solana devnet integration.

ACHIEVEMENTS & HACKATHONS

- 2nd Place:** Startup Launchpad 2026, IoBM (CampusRides pitched to industry panel).
- 1st Place:** Skillverse Dev 2.0 Buildathon (CoolShift AI-driven building energy optimizer).
- Finalist:** WSC-SEE Pakistan 2026 National Finals in Lahore (CampusRides).

CERTIFICATES

- Generative AI Engineer (GIAIC) — Quarter 3 GenAI Engineering (June 2025).
- Web Developer (Learning Resource Network) — Top 3 Position in Bano Qabil 3.0.
- SOC Analyst (Bano Qabil 3.0) — Top 5 Position in Cybersecurity Fundamentals.
